

## LIST OF CORRECTIONS

This publication has been prepared primarily by assembling and binding the maps and tabular materials originally issued in the separate PC(1)-A, B, C, and D final reports for the State. This plan was adopted in order to conserve public funds. The corrections listed below represent changes which would ordinarily have been made if this publication had been prepared by reprinting these maps and tabular materials. Those items with an asterisk (\*) consist of

errors which affect not only the specific figure(s) mentioned but also affect other data in this publication. Among the other data which might be involved are the statistics for a larger area of which the particular area is part and the statistics by such classifications as urban-rural residence and size of place. The user can, of course, carry through these types of changes if he thinks them worthwhile.

## Page 11, Map

Wilmington Urbanized Area: That part of Birmingham twp., Chester County, Pa., which is located between Birmingham twp., Delaware County, Pa. and the Delaware State line, is not shown.

## Pages 26 and 33, tables 19 and 28\*

The number of inmates shown in table 28 for New Castle County includes approximately 128 persons who should have been classified as "other" persons in group quarters. This misclassification also affects the corresponding number for the State, shown in table 19.

## Page 28, table 21\*

The number of inmates shown for Wilmington city excludes approximately 28 persons who were misclassified as "other" persons in group quarters. The number of inmates shown for the Wilmington Urbanized Area and for Wilmington SMSA includes approximately 128 persons who should have been classified as "other" persons in group quarters.

## Page 54, table 57\*

Occupation group and sex	The State		Urban		Rural nonfarm		Percent distribution	
	From	To	From	To	From	To	From	To
MALE								
Construction craftsmen....	7,622	7,583	5,151	5,120	2,243	2,235	No change	
Other craftsmen.....	3,880	3,919	2,956	2,987	874	882	4.0	4.1

## Page 56, table 59\*

For "Construction craftsmen," under "Number, 1960," change 7,622 to 7,583; and under "Percent increase, 1950 to 1960," change 5.3 to 4.7. For "Other craftsmen," change 3,880 to 3,919, and 15.2 to 16.4, respectively.

## Page 95, table C-2

The nonresponse rates for "Birth date, decade unknown" erroneously exclude nonresponses for group quarters members other than inmates.

## Pages 106 and 107, table 99

Add footnote symbol 3 to the line for "Other West Indies."

## Pages 185 and 191, tables 120 and 121

Under "Laborers (n.e.c.)," the 15 lines from "Machinery, exc. electrical" through "Miscellaneous manufacturing industries" are indented two spaces too many.

## Pages 192-213, tables 122 to 124

On each page showing Male, Operatives and kindred workers, the line reading "Furnacemen, smeltermen, and heaters" should be changed to "Furnacemen, smeltermen, and pourers."

## Page 269, table D-1

The following explanatory footnote should be keyed to the line for "Not reported" in the section on "Relationship":

Limited to persons who were allocated to the categories "Wife of head," "Other relative of head," or "Nonrelative of head."

## Page 269, table D-1

The category "Not reported in decade or year" under "Age" erroneously excludes nonresponses on decade of birth for group quarters members other than inmates.
